

## COURSE OVERVIEW OE0446-4D Laytime & Demurrage

### Course Title

Laytime & Demurrage

### Course Date/Venue

December 09-12, 2024/Boardroom 1, Elite  
Byblos Hotel Al Barsha, Sheikh Zayed Road,  
Dubai, UAE

### Course Reference

OE0446-4D

### Course Duration/Credits

Four days/2.4 CEUs/24 PDHs

### Course Description

***This practical and highly-interactive course includes real-life case studies and exercises where participants will be engaged in a series of interactive small groups and class workshops.***

This course is designed to provide participants with a detailed and up-to-date overview of demurrage/laytime. It covers the laytime, demurrage and despatch; the various types of laytime; the start of laytime during the arrival of the ship; the notice of readiness (NOR); the start and stoppage of demurrage and calculating laytime for dry and wet cargoes; and the laytime and demurrage clauses covering different charterparties & NOR clauses, weather clauses, time bar clauses, crude oil washing, stripping & letters of protest.

During this interactive course, participants will learn the various samples of calculations; the demurrage claims management and its main stage, key clauses in your contract that can impact the claims, securing a settlement and enforcement options; the commercial contract terms and charterparty clauses; the profitable use of laytime and demurrage in nontraditional ways; the delaying loading, during the course of the voyage and delaying discharge; handling laytime and demurrage claims and disputes; the time bars and essential documents; and the dispute resolution methods and reasons for choices of arbitration or mediation or litigation.

Participants of this course will receive the exclusive “Haward Smart Training Kit” (H-STK®). The H-STK® consists of a comprehensive set of technical content which includes **electronic version** of the course materials, sample video clips of the instructor’s actual lectures & practical sessions during the course conveniently saved in a **Tablet PC**.

## Who Should Attend

This course provides an overview of all significant aspects and considerations of demurrage/laytime for ship owners, fleet managers, port and terminal supervisors; commercial operations and chartering executives, demurrage analysts, claims personnel, traders and terminal operators, charterers and chartering agents; brokers, traders and distribution managers, bankers, accountants and advisors involved in shipping finance, legal and insurance professionals dealing with commodity transportation issues; personnel in trading, distribution and logistics companies transporting goods by sea and employees starting or moving into the shipping divisions of oil and bulk operators.

### Course Certificate(s)

Internationally recognized certificates will be issued to all participants of the course who completed a minimum of 80% of the total tuition hours.

### Certificate Accreditations

Certificates are accredited by the following international accreditation organizations: -

- 
The International Accreditors for Continuing Education and Training (IACET - USA)

Haward Technology is an Authorized Training Provider by the International Accreditors for Continuing Education and Training (IACET), 2201 Cooperative Way, Suite 600, Herndon, VA 20171, USA. In obtaining this authority, Haward Technology has demonstrated that it complies with the **ANSI/IACET 2018-1 Standard** which is widely recognized as the standard of good practice internationally. As a result of our Authorized Provider membership status, Haward Technology is authorized to offer IACET CEUs for its programs that qualify under the **ANSI/IACET 2018-1 Standard**.

Haward Technology's courses meet the professional certification and continuing education requirements for participants seeking **Continuing Education Units (CEUs)** in accordance with the rules & regulations of the International Accreditors for Continuing Education & Training (IACET). IACET is an international authority that evaluates programs according to strict, research-based criteria and guidelines. The CEU is an internationally accepted uniform unit of measurement in qualified courses of continuing education.

Haward Technology Middle East will award **2.4 CEUs** (Continuing Education Units) or **24 PDHs** (Professional Development Hours) for participants who completed the total tuition hours of this program. One CEU is equivalent to ten Professional Development Hours (PDHs) or ten contact hours of the participation in and completion of Haward Technology programs. A permanent record of a participant's involvement and awarding of CEU will be maintained by Haward Technology. Haward Technology will provide a copy of the participant's CEU and PDH Transcript of Records upon request.

- 
British Accreditation Council (BAC)

Haward Technology is accredited by the **British Accreditation Council** for **Independent Further and Higher Education** as an **International Centre**. BAC is the British accrediting body responsible for setting standards within independent further and higher education sector in the UK and overseas. As a BAC-accredited international centre, Haward Technology meets all of the international higher education criteria and standards set by BAC.
